## Privacy Policy

In accordance with the General Data Protection Regulations, all registrants are required to provide consent to collect and process their data.

Please review the information below and select “**I Give Consent**” to proceed with registration for this conference. *If you do not wish to give consent, we are unable to collect your data and therefore you will be unable to register for this conference.* As part of the registration form you will also be asked permission for your contact details to be published on a delegate list. If you say no to this option, you may still register for the conference.

### Data Processing Consent

#### Why we ask for your consent

We are committed to protecting the privacy of all personal data you provide us for this conference registration. The following describes what we are doing with your data and how long we store it. This ensures you are fully informed prior to you submitting your personal information for event registration.

#### Why are we processing your personal data?

We ask for your personal data to facilitate your registration for this event.

#### Other third parties that will have access to your personal data

Your data will be shared with other organisations and third parties in order to process your registration. These may include:
